Soluzioni

classe 3ª

Tutte le note da do a do, il taglio addizionale, la battuta e il tempo: 2/4, 3/4, 4/4.

do re mi fa sol la si

Per l'insegnante

Indice delle schede

Per l'insegnante. In terza si completa la scala da do a do e si scopre la battuta. Le schede di ritmo usano una sola riga: lo spazio tra le note è proporzionale alla durata, così si vede quanto dura ogni figura. Le soluzioni sono in un fascicolo a parte.

Soluzioni · Il taglio addizionale: il do

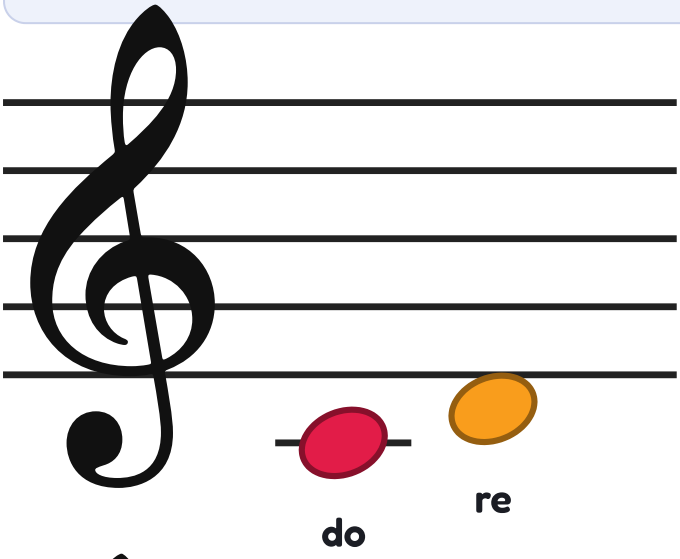

Il **do** sta sotto il pentagramma, tagliato da una piccola riga in più. Ripassa e poi disegna tu.

Quando le note scendono sotto il pentagramma, si aggiunge un pezzettino di rigo: il **taglio addizionale**. È corto, solo per quella nota.

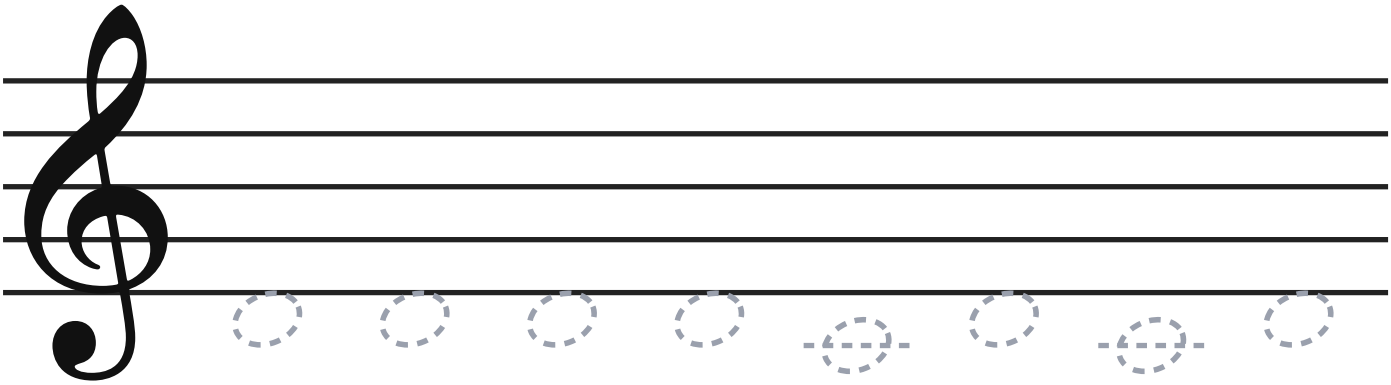

Soluzioni · Il re appeso sotto il pentagramma

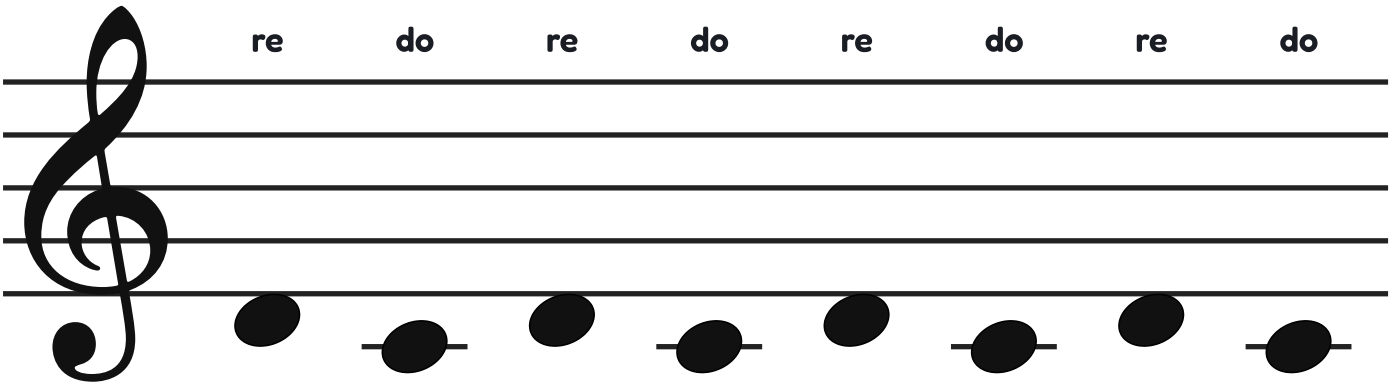

Il **re** sta appeso sotto il 1° rigo, senza taglio. Ripassa, poi disegna do e re.

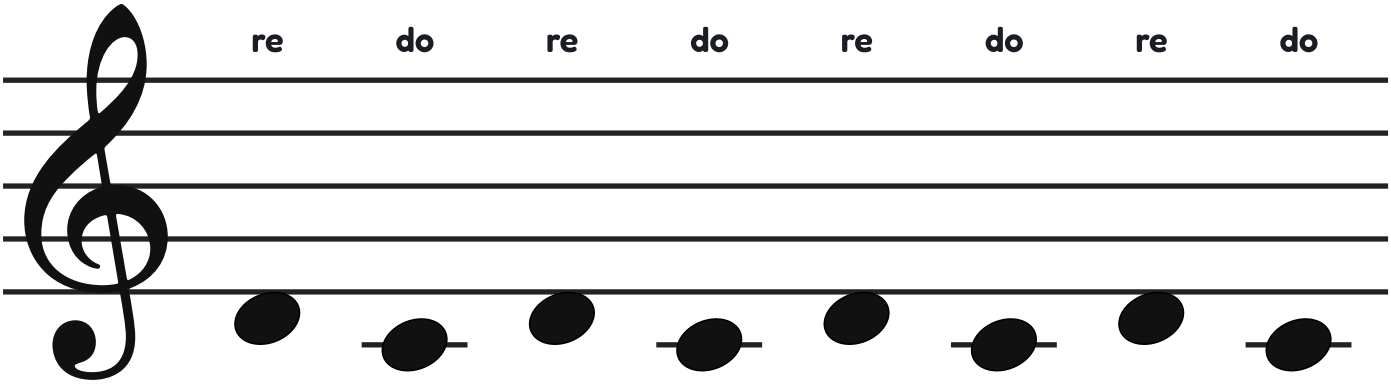

Il **do** ha il taglio in mezzo alla testa.
Il **re** tocca il 1° rigo da sotto, come una goccia appesa.

re do re do re do re do

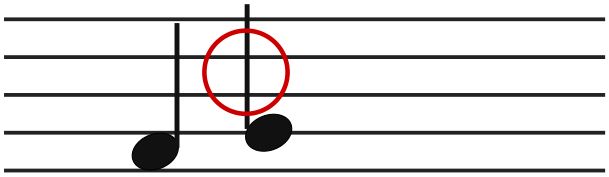

re do re do re do re do

Soluzioni · Trova l'errore

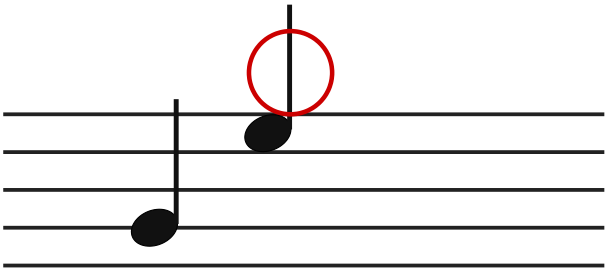

In ogni riquadro c'è **un errore** di scrittura. Cerchialo e scrivi che cosa non va.

1

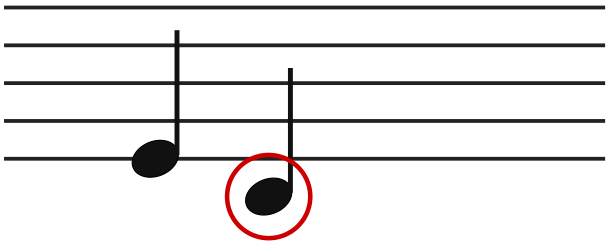

Il gambo è dalla parte sbagliata

2

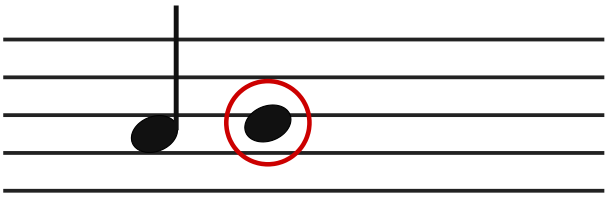

Il gambo va in giù (la nota è sopra il 3° rigo)

3

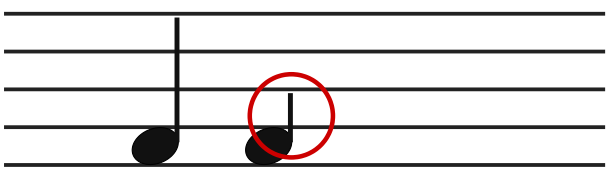

Il do ha bisogno del taglio

4

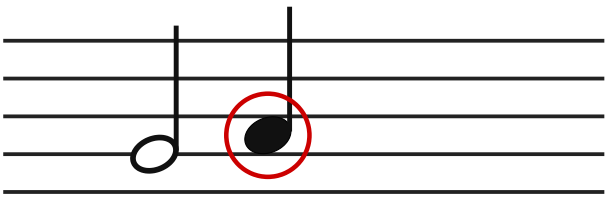

La testa non sta né sul rigo né nello spazio

5

Il gambo è troppo corto

6

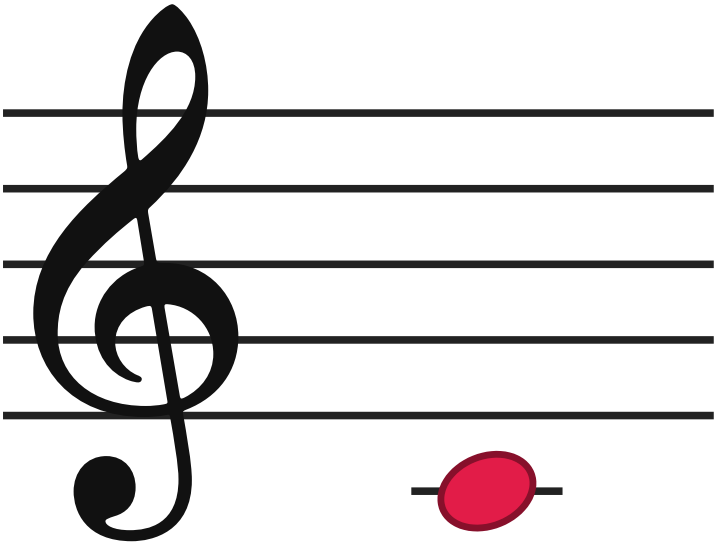

(2 battiti)

La minima ha la testa vuota

Nome _____ 3N-01

Soluzioni · Il do e il re

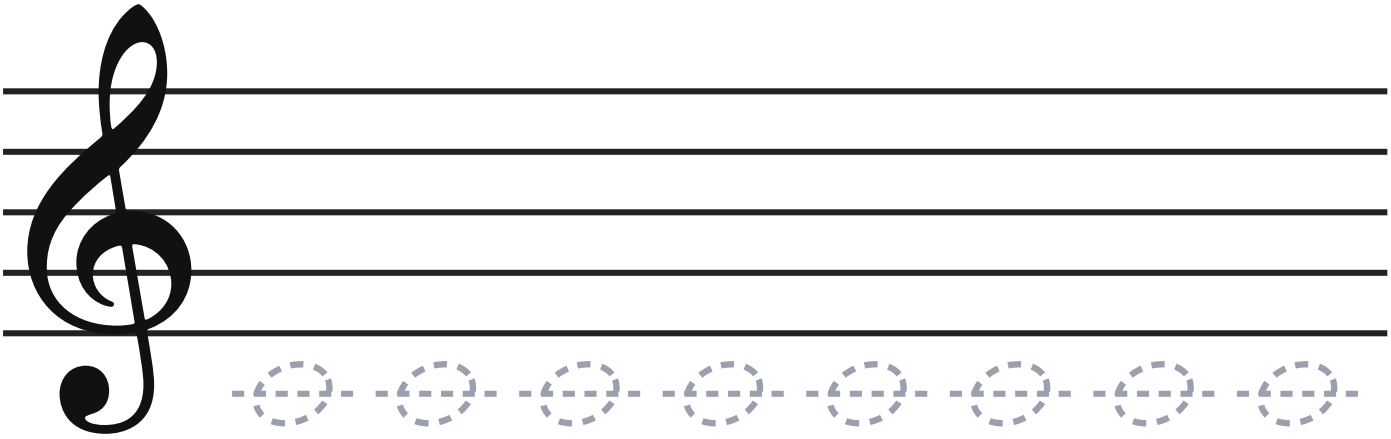

Il **do** ha il taglio addizionale, il **re** sta appeso sotto il 1° rigo. Ripassa e poi scrivi.

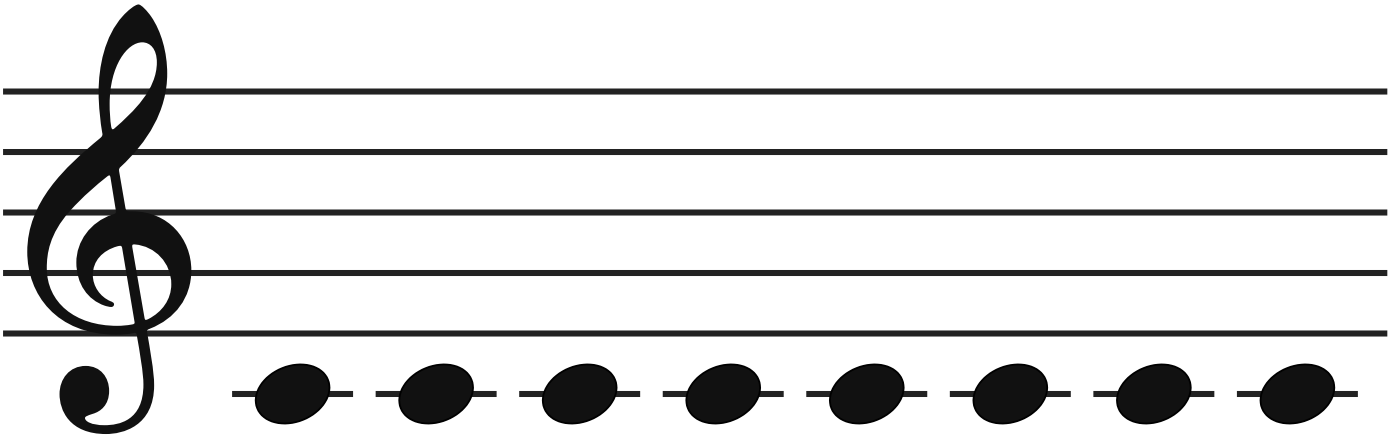

DO

Il **do** abita sotto il pentagramma, su un piccolo **taglio addizionale**. Subito sopra c'è il **re**, appeso al 1° rigo.

Ripassa le note tratteggiate:

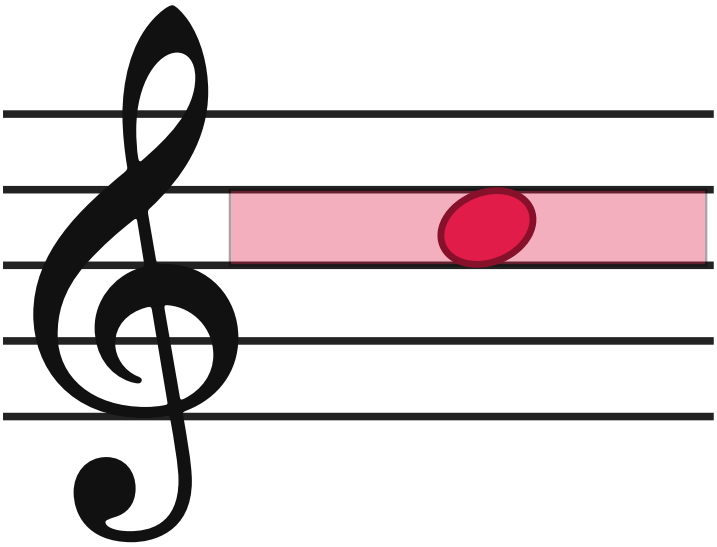

Ora disegna tu tanti do:

Soluzioni · Il do acuto

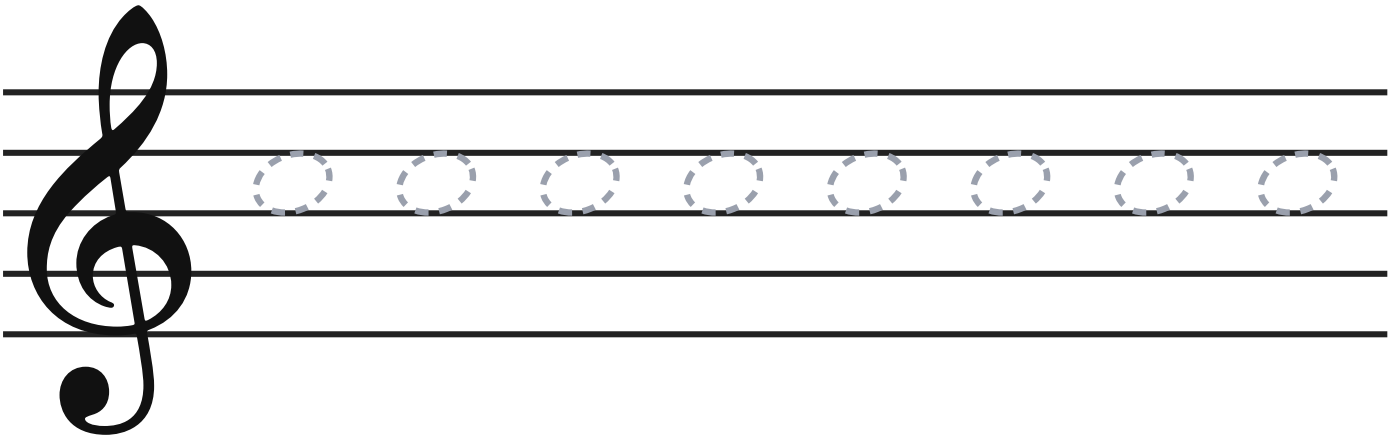

Il **do acuto** abita nel 3° spazio. Ripassa e poi disegnane altri.

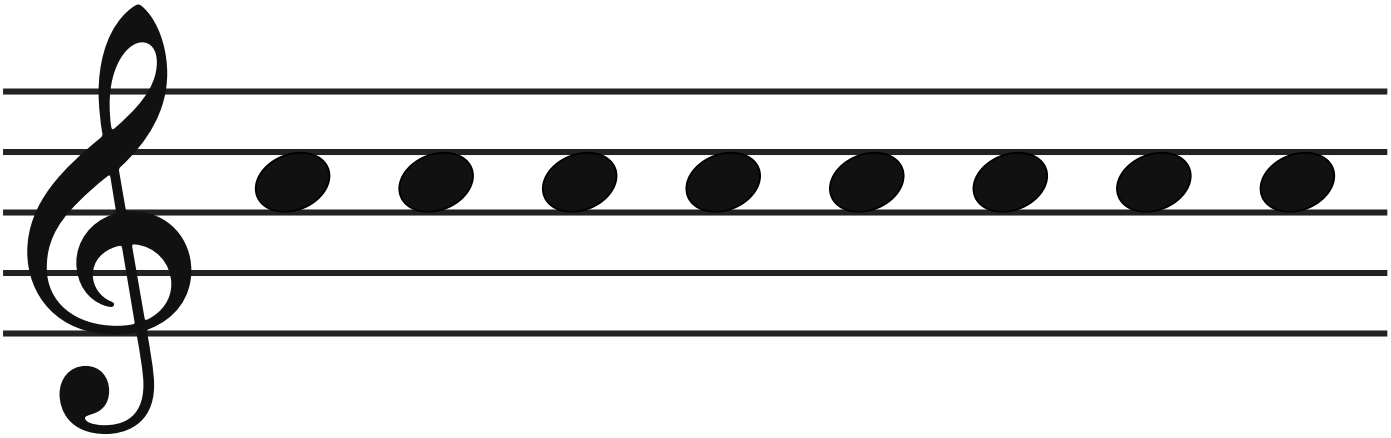

DO

Il **do acuto** abita nel **3° spazio**. Ha lo stesso nome del do sotto il pentagramma, ma suona più in alto.

Ripassa le note tratteggiate:

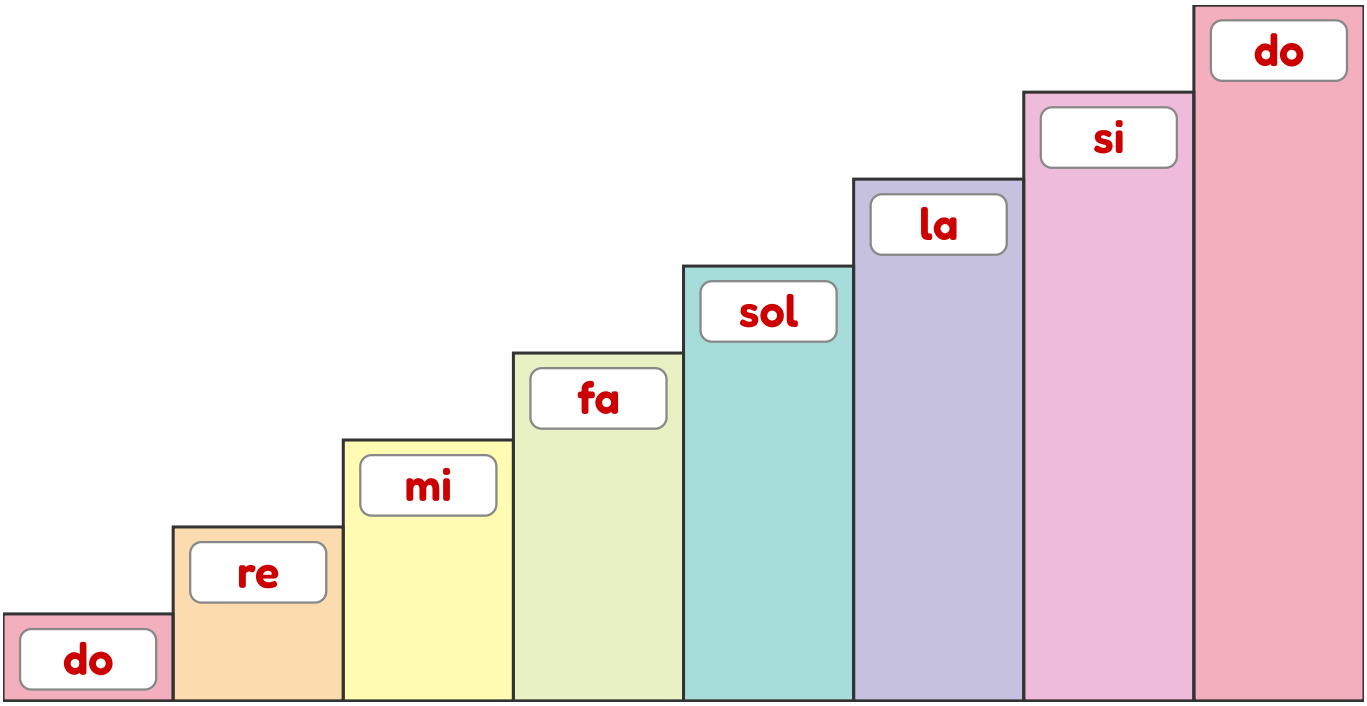

Ora disegna tu tanti do:

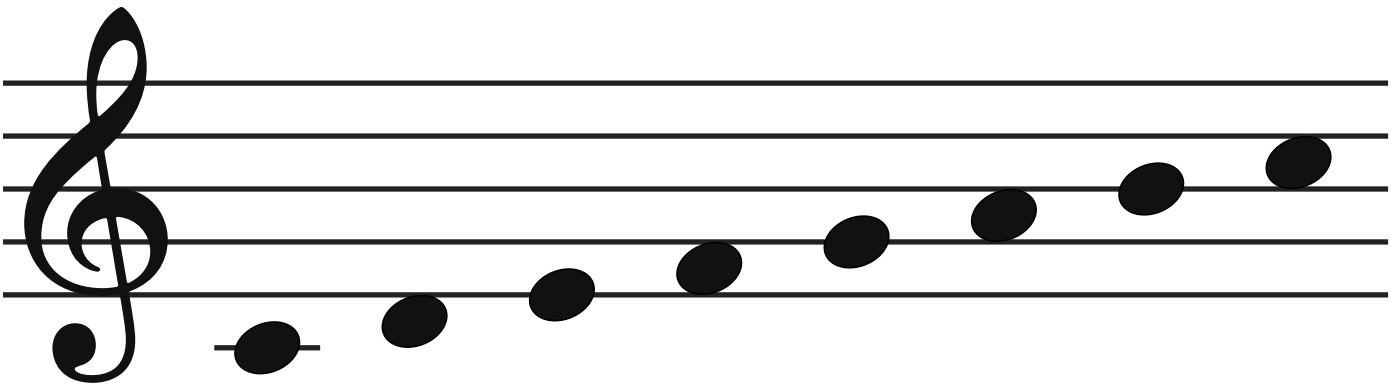

Soluzioni · La scalinata delle note

Sali la scala: scrivi il nome su ogni gradino, poi disegna le note sul pentagramma.

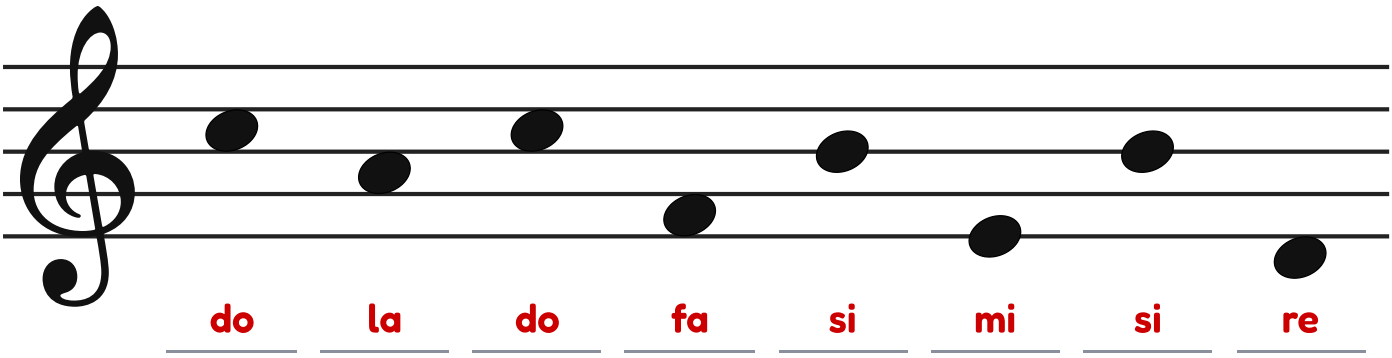

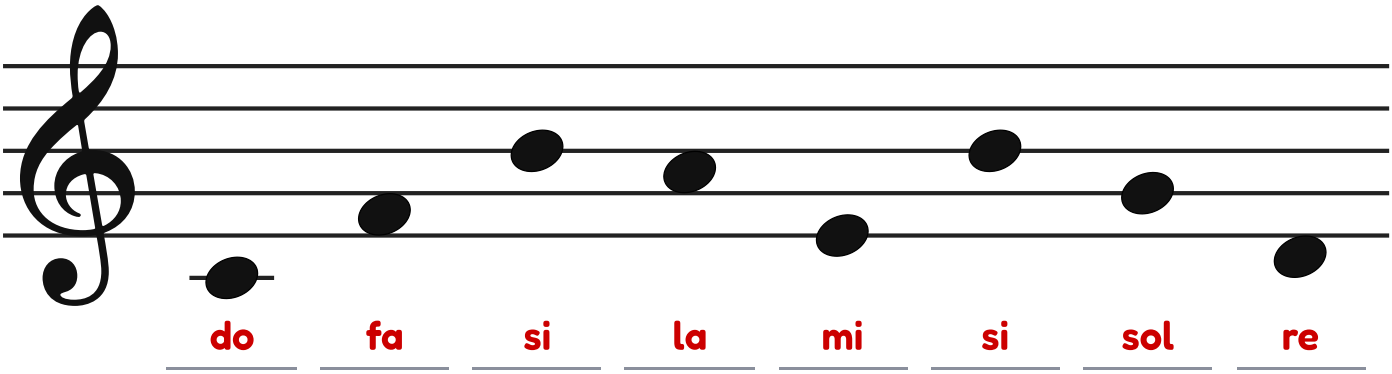

Il primo gradino è il **do**. Poi re, mi… fino al do acuto!

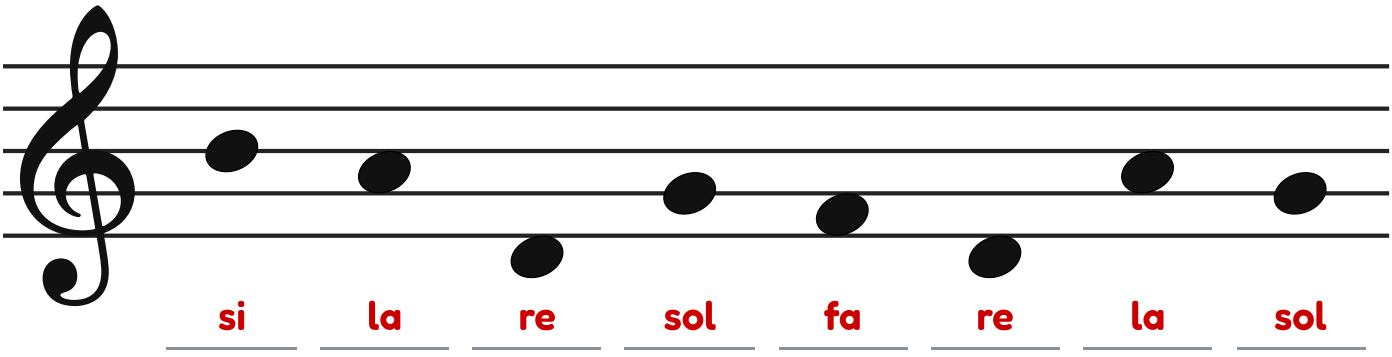

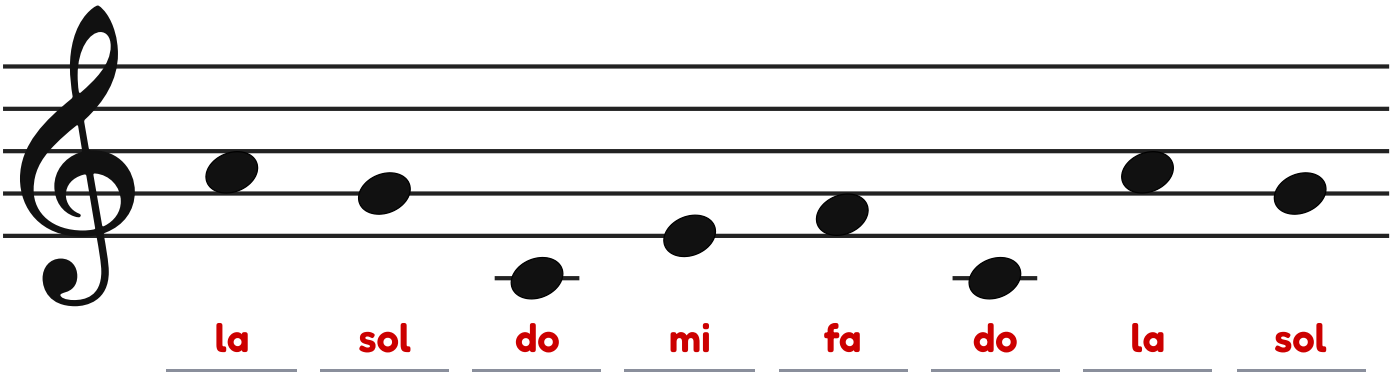

Soluzioni · Come si chiama?

Scrivi il nome sotto ogni nota.

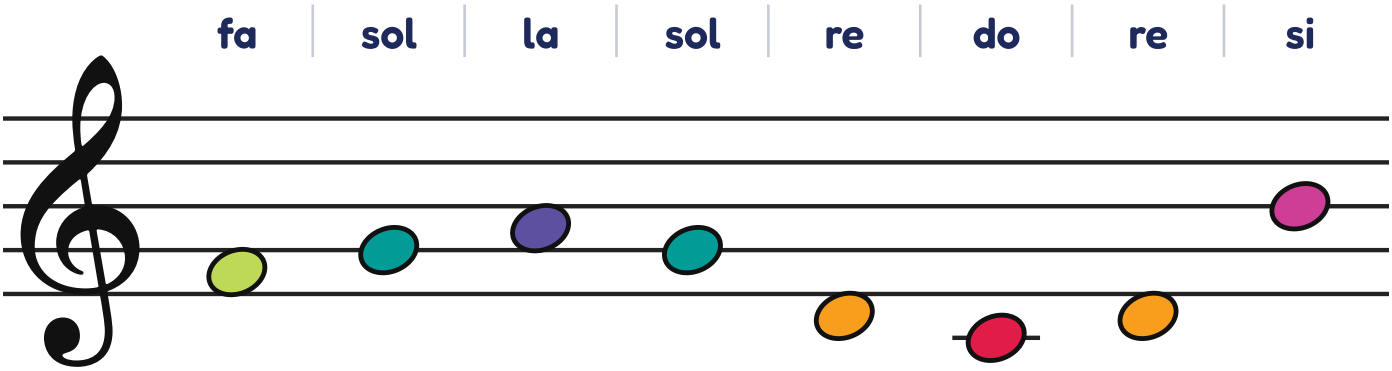

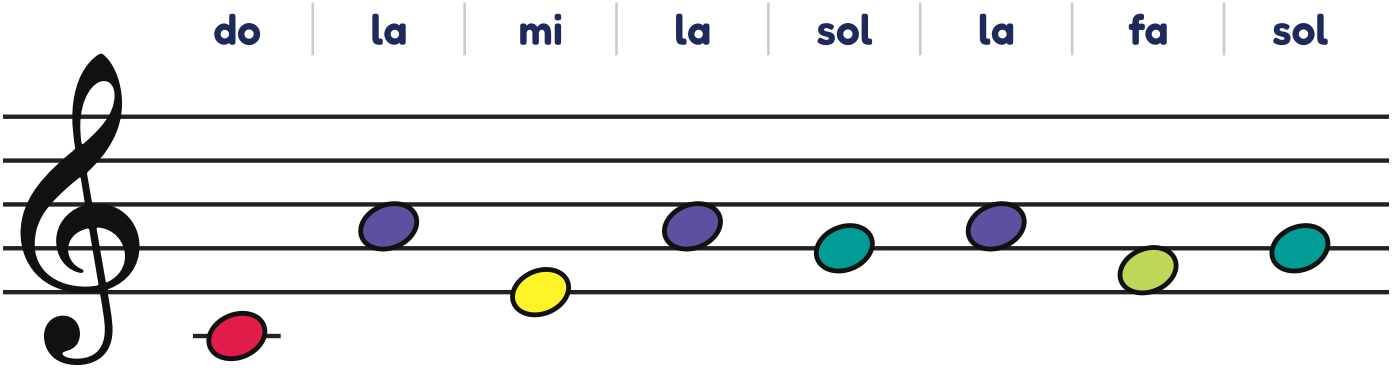

Soluzioni · Disegna la nota

Leggi il nome e disegna la nota al posto giusto. Attento al do: quale dei due?

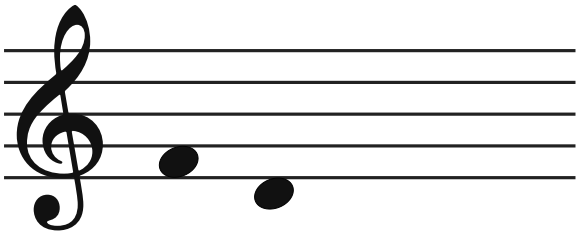

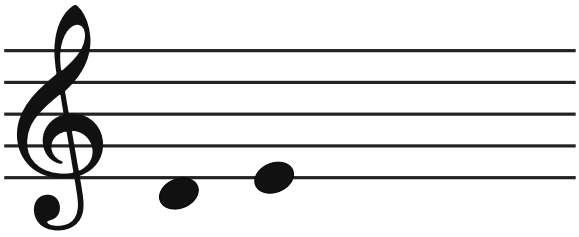

In questa scheda il **do** è sempre quello sotto il pentagramma, con il taglio.

Soluzioni · Parole fatte di note

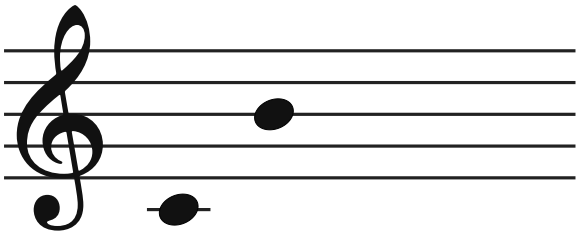

Leggi le note e scopri la parola nascosta. Scrivila nelle caselle.

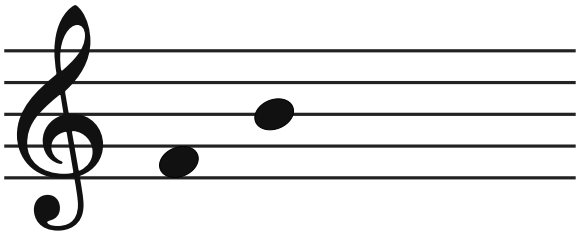

F A R E

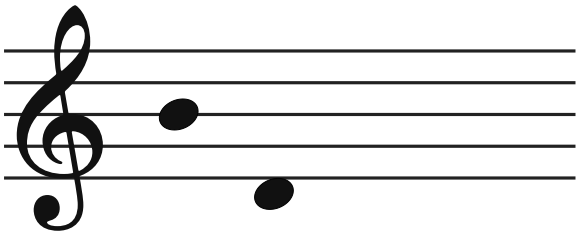

R E M I

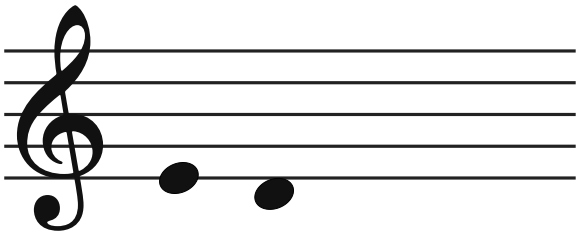

D O S I

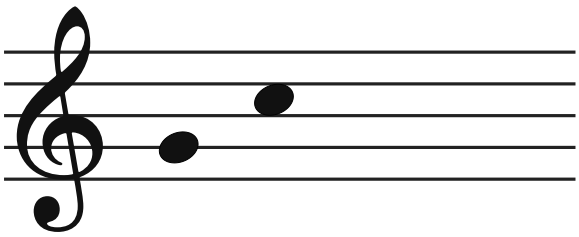

F A S I

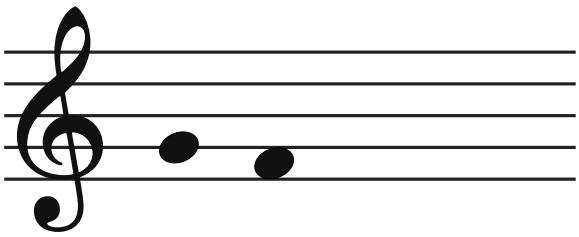

S I R E

M I R E

S O L D O

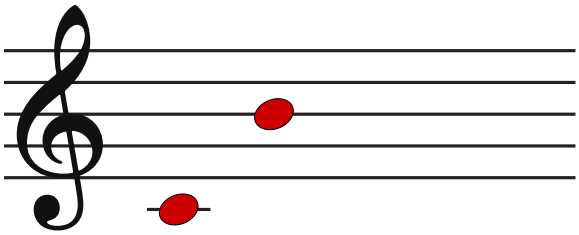

S O L F A

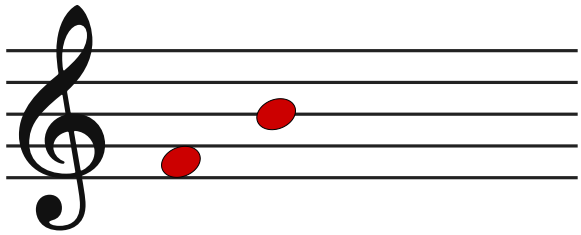

Soluzioni · Scrivi le parole con le note

Ogni parola è fatta di note. Disegnale sul pentagramma.

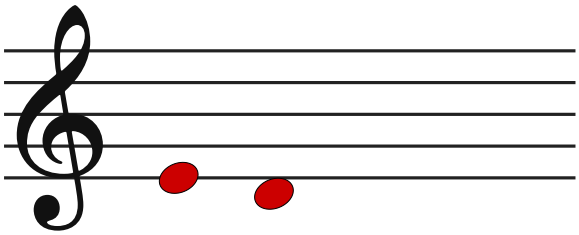

DO - SI

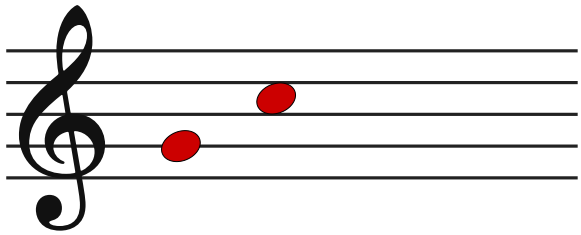

FA - SI

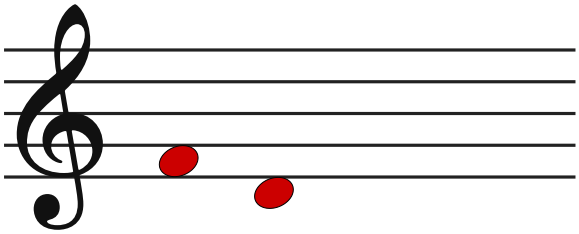

MI - RE

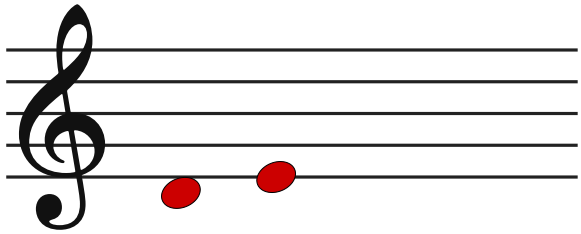

SOL - DO

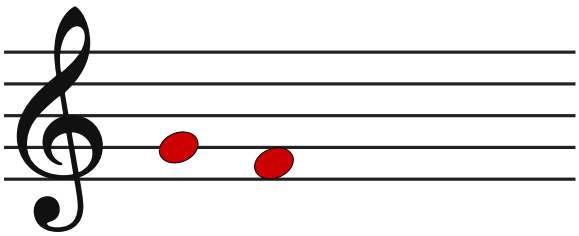

FA - RE

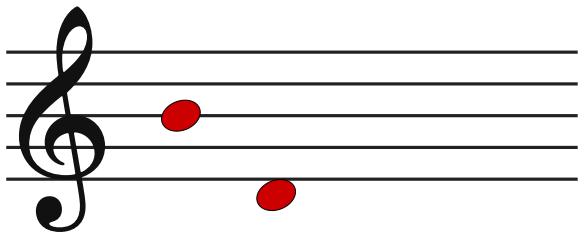

RE - MI

SOL - FA

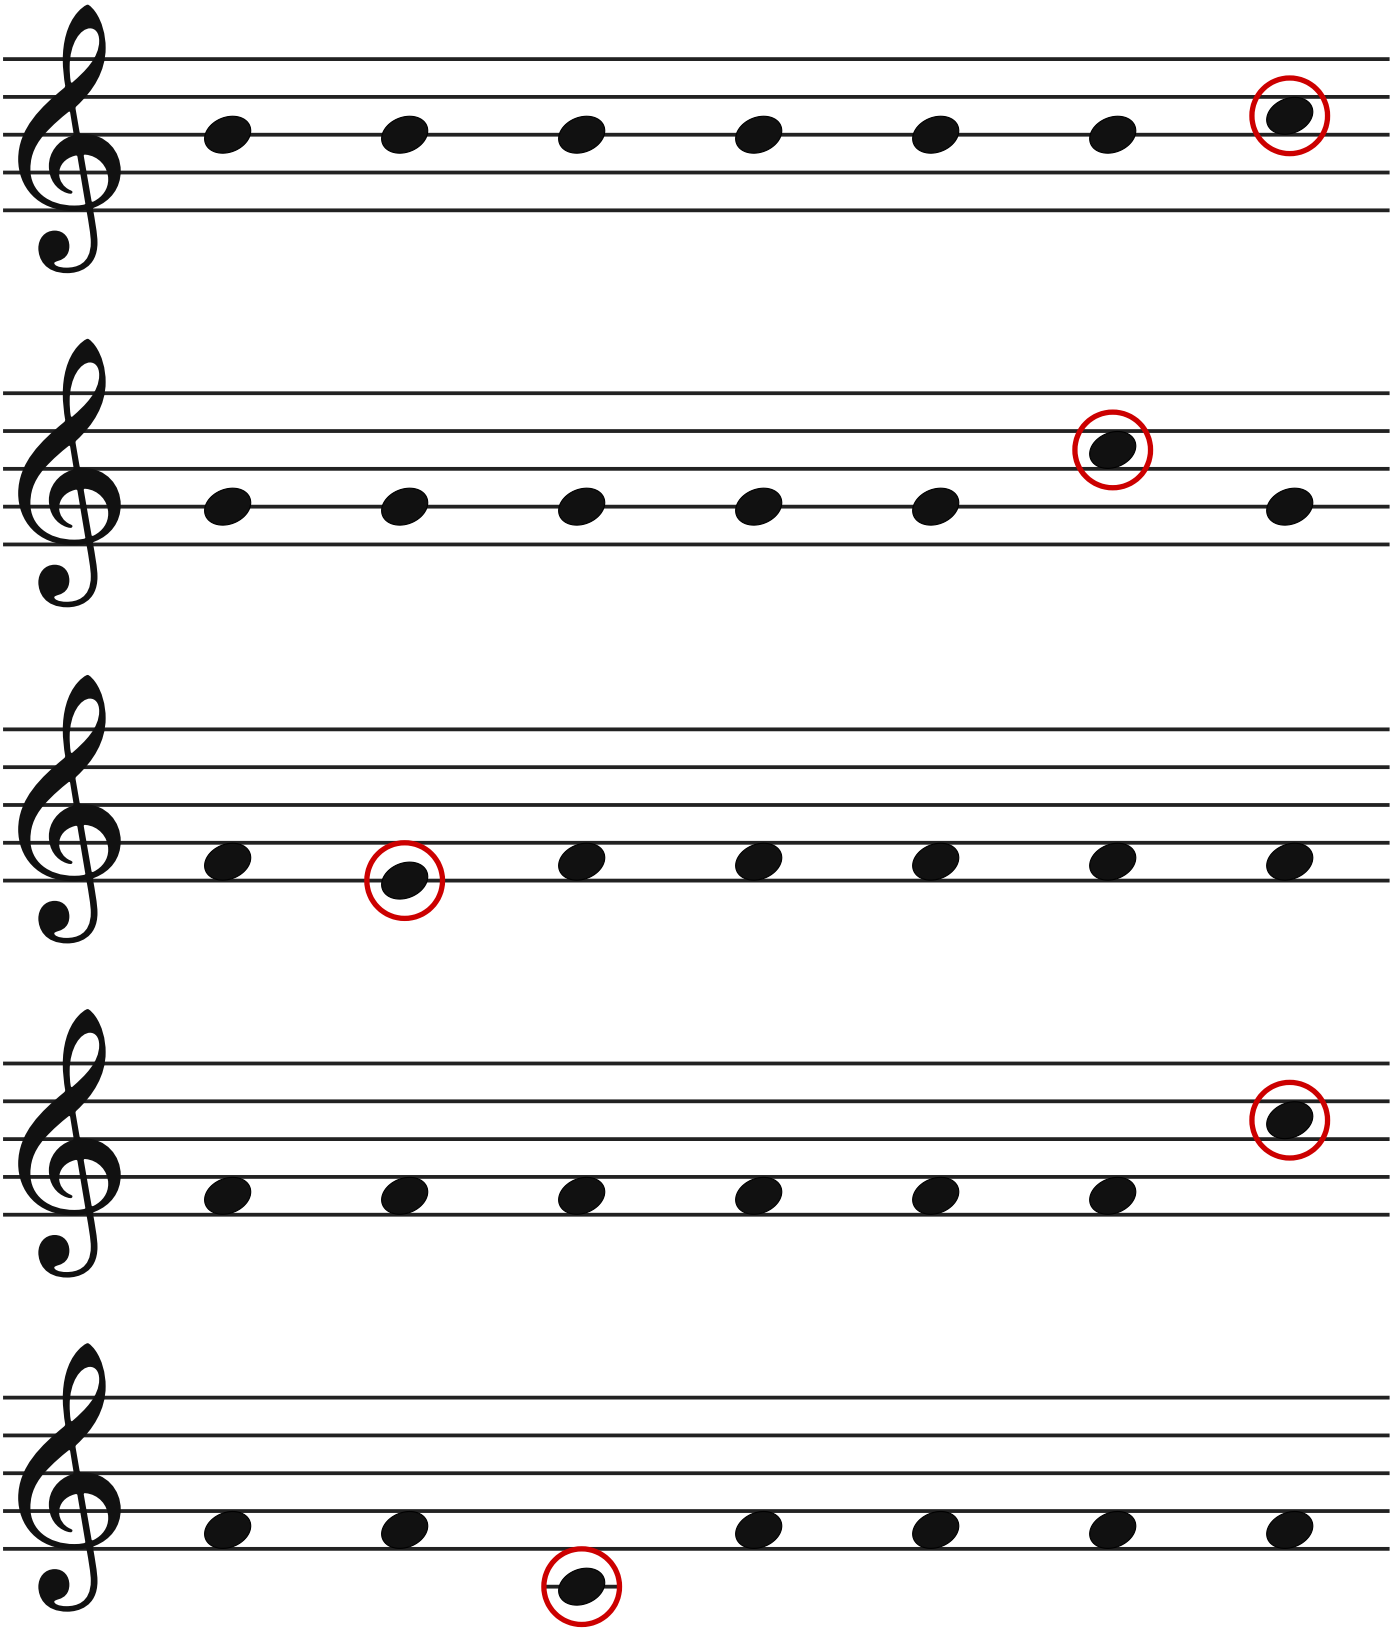

SI - RE

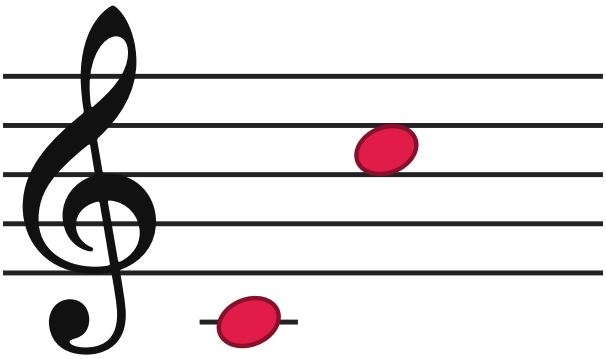

Soluzioni · Trova l'intruso

In ogni riga tutte le note hanno lo stesso nome, tranne una: l'intruso! Cerchialo.

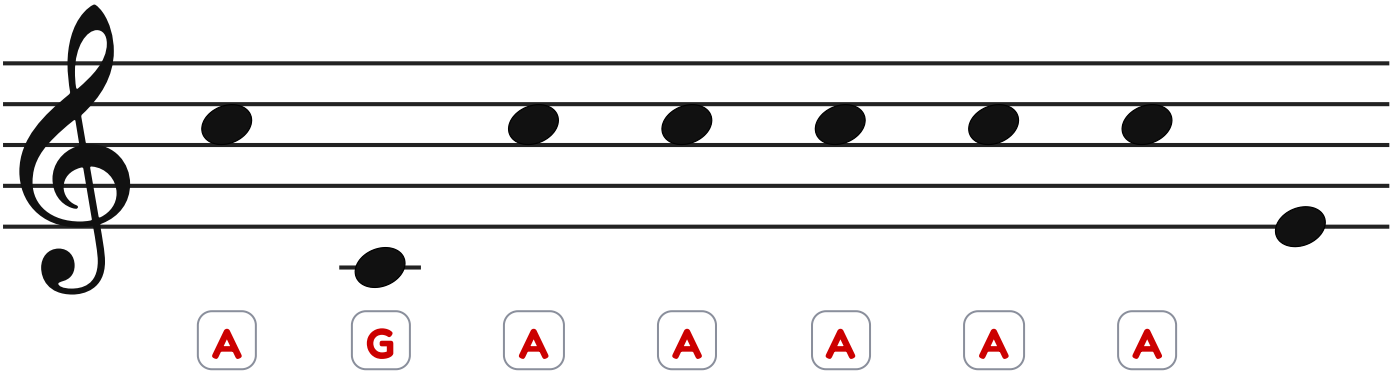

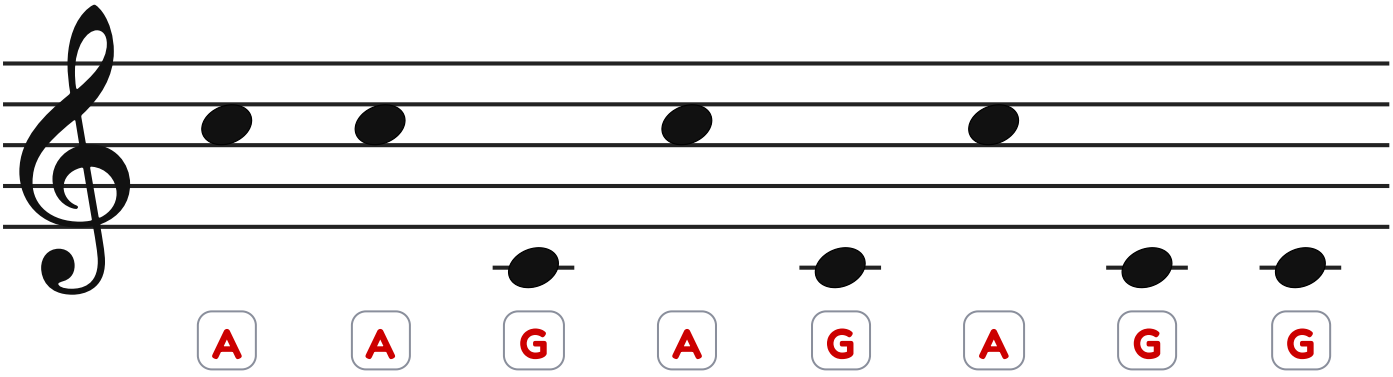

Soluzioni · Le note gemelle

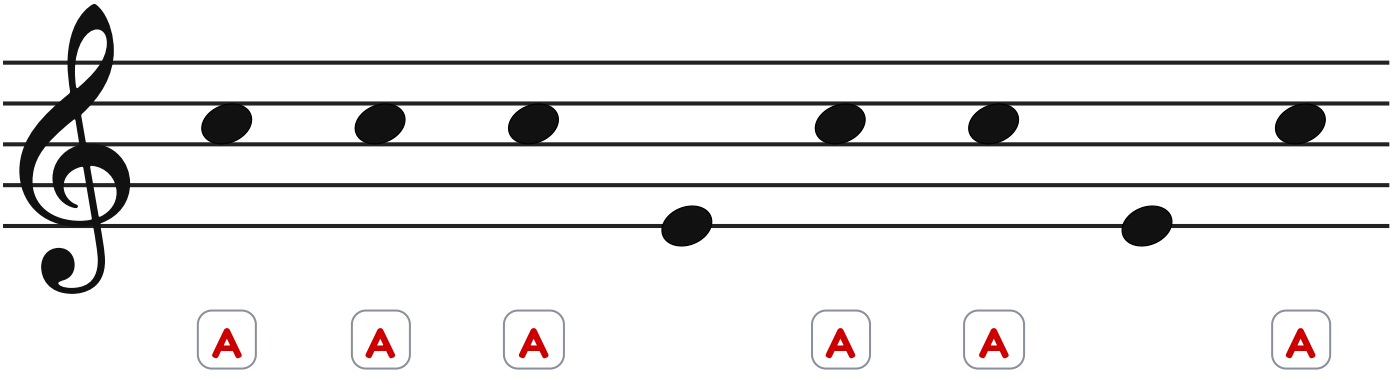

Il do si trova in due posti: sotto (grave) e nel 3° spazio (acuto). Scrivi **G** sotto il do grave e **A** sotto il do acuto.

Due note con lo **stesso nome** e un salto grande tra loro: è l'**ottava**. Il do acuto suona come il do grave, ma più in alto.

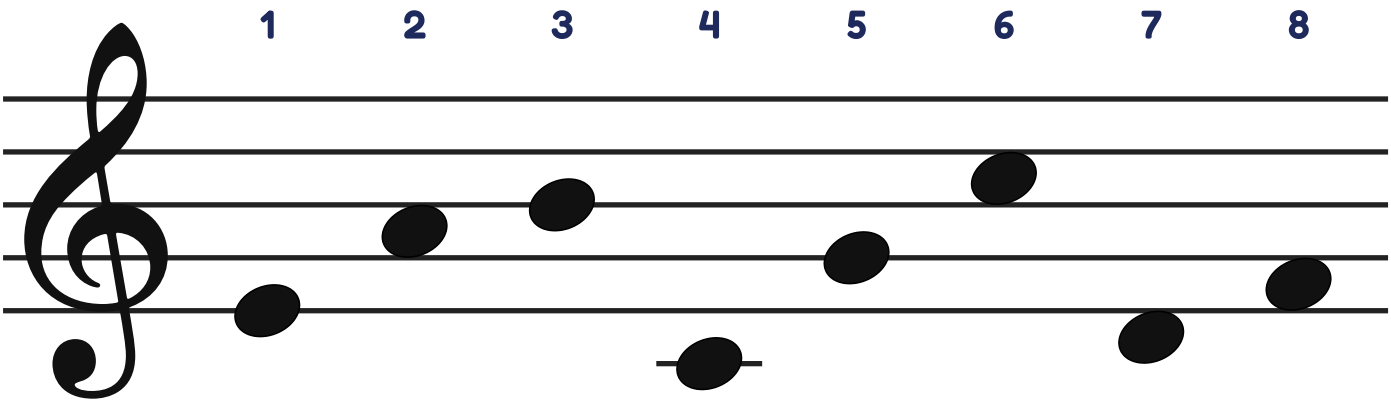

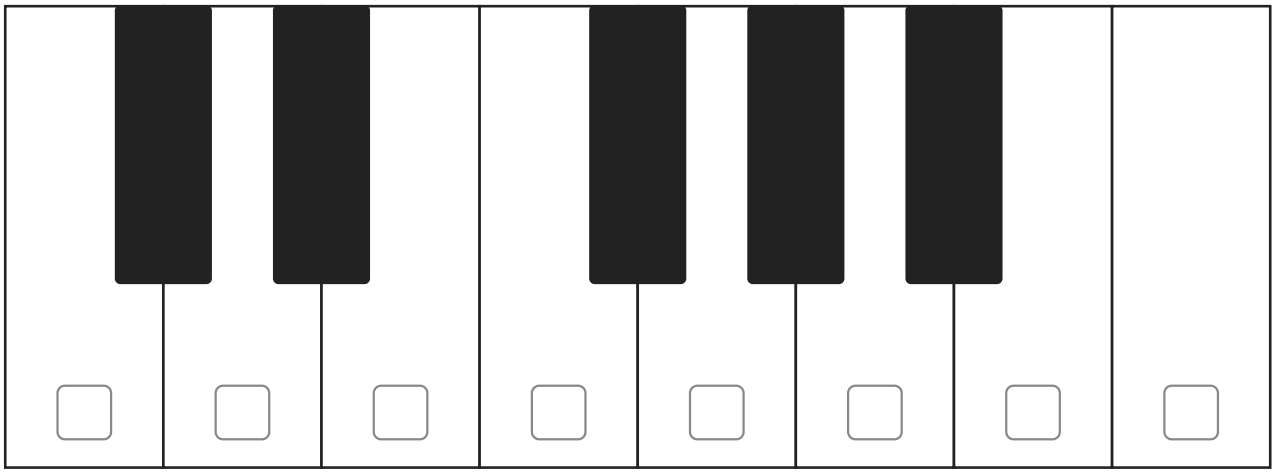

Nome _____ 3N-10

Soluzioni · Note e tasti

Scrivi il numero di ogni nota sul tasto giusto della tastiera.

Il **do** è il tasto bianco a sinistra dei **due** tasti neri. Trovalo e poi conta: do, re, mi…

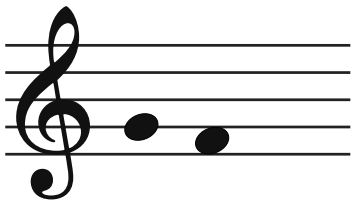

Soluzioni · Il cruciverba delle note

Leggi le note di ogni definizione e scrivi la parola nel cruciverba.

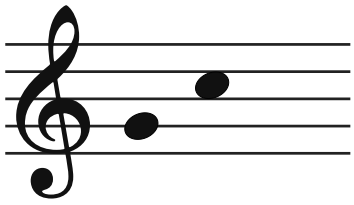

1 S	O	L	2 F	A
I			A	
R			3 S	O	L	4 D	O
E			I			O	
						S	
			5 R	E	M	I	

Orizzontali →

5

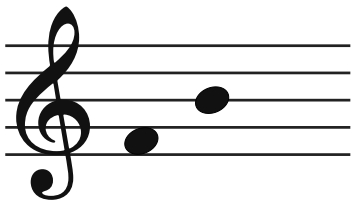

Verticali ↓

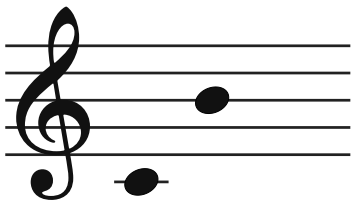

1

2

4

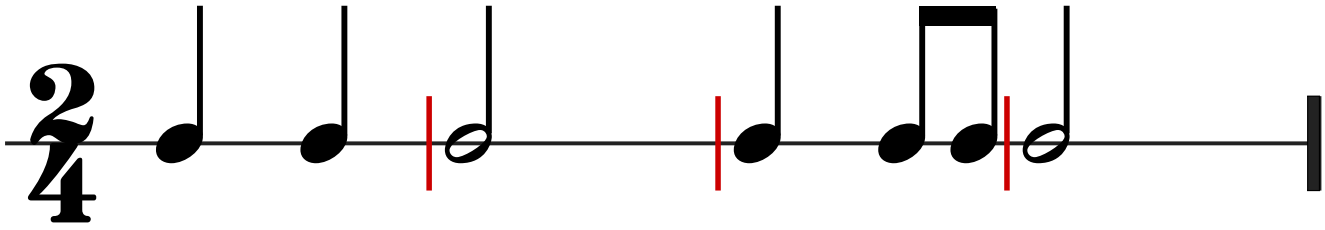

Soluzioni · Le stanghette in 2/4

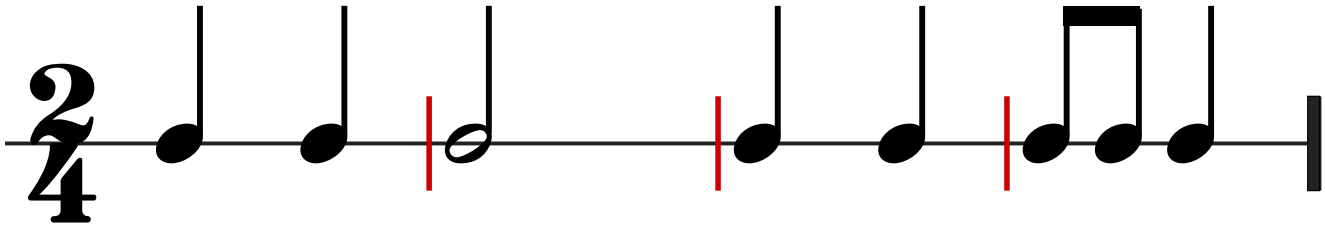

In 2/4 ogni battuta ha **2 battiti**. Conta e disegna le stanghette che mancano.

Conta i battiti: semiminima = 1, due crome = 1, minima = 2. Ogni 2 battiti, una stanghetta!

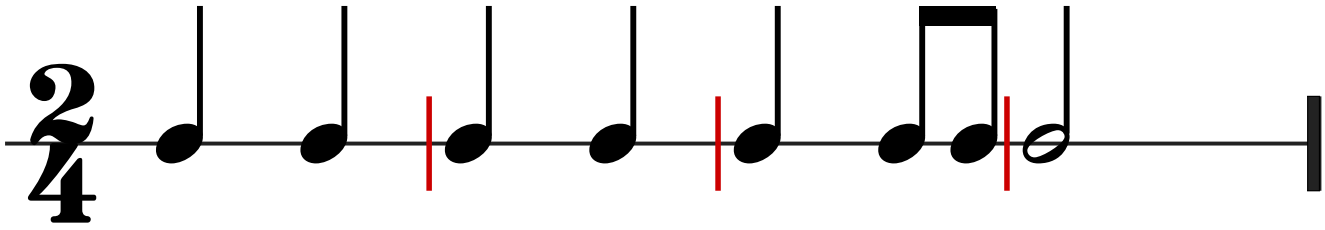

1

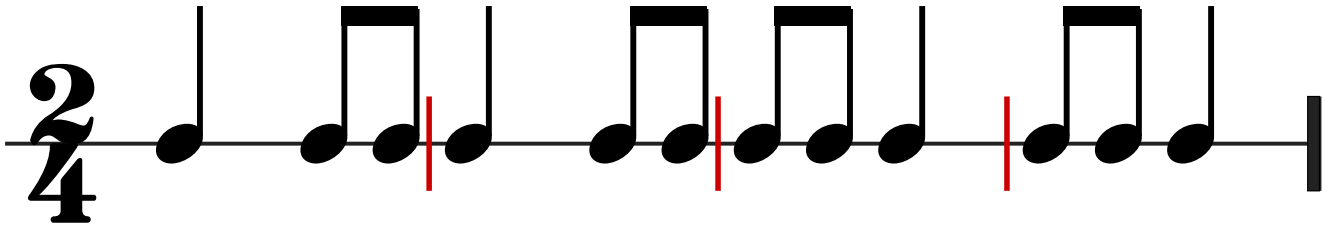

2

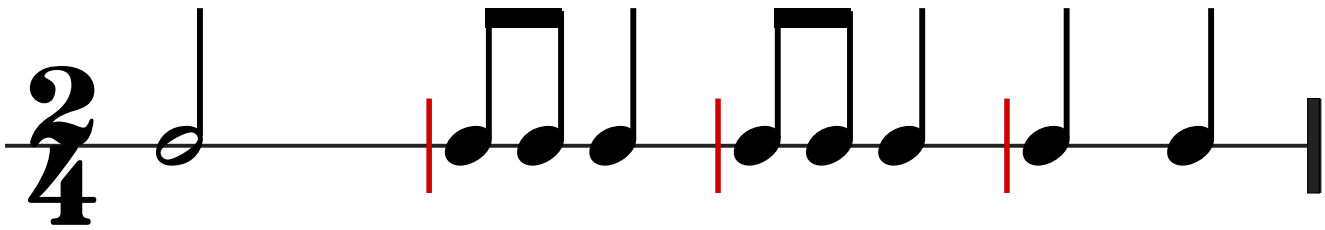

3

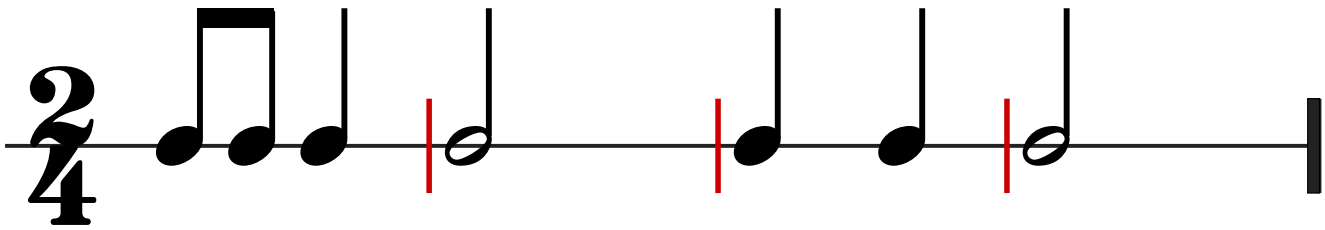

4

5

6

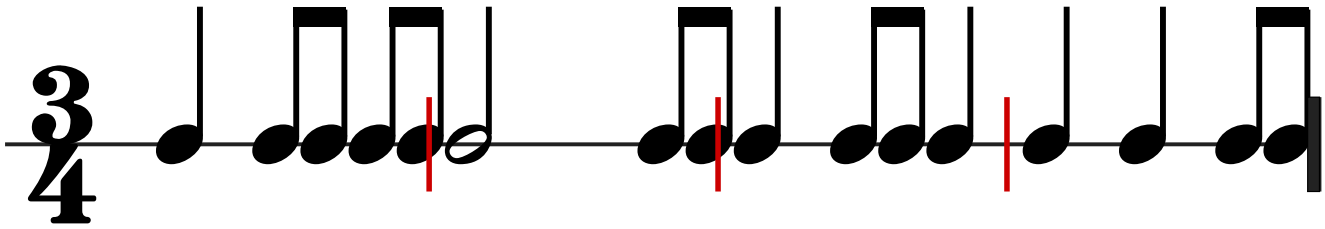

Soluzioni · Le stanghette in 3/4 e 4/4

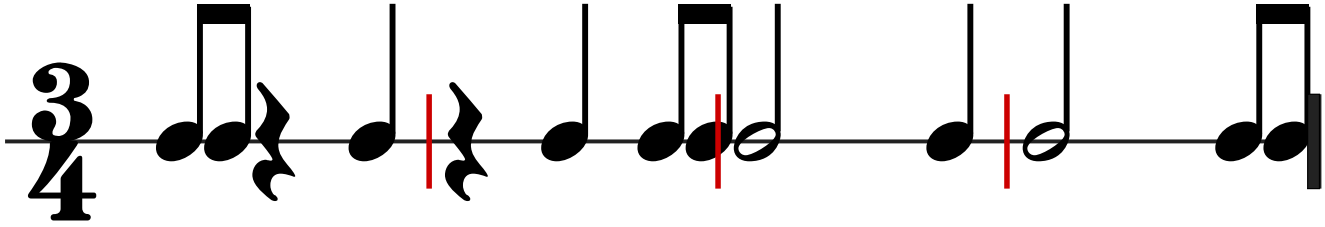

Guarda il numero in alto del tempo: quanti battiti per battuta? Disegna le stanghette.

Tempo 3/4: tre battiti per battuta

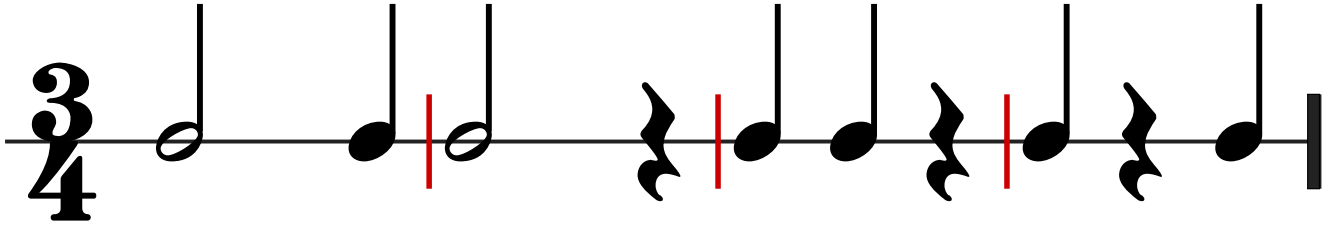

1

2

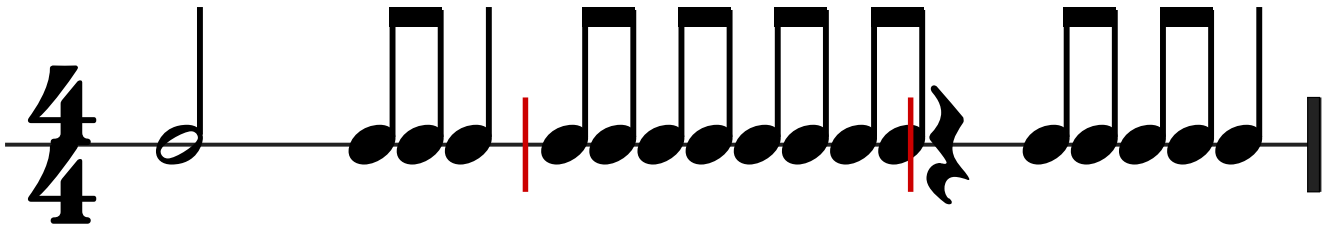

3

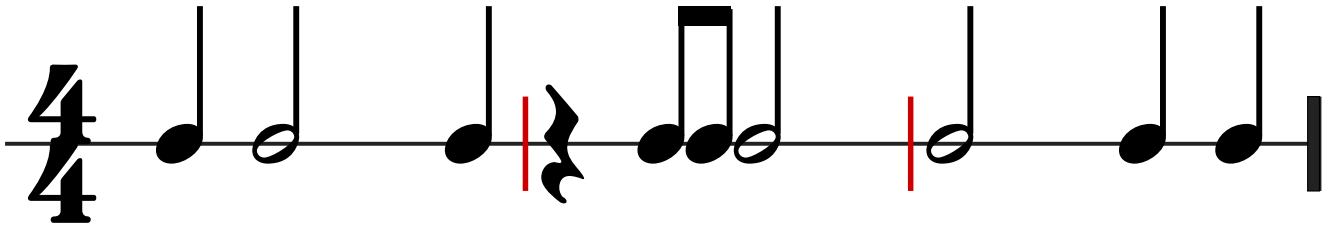

Tempo 4/4: quattro battiti per battuta

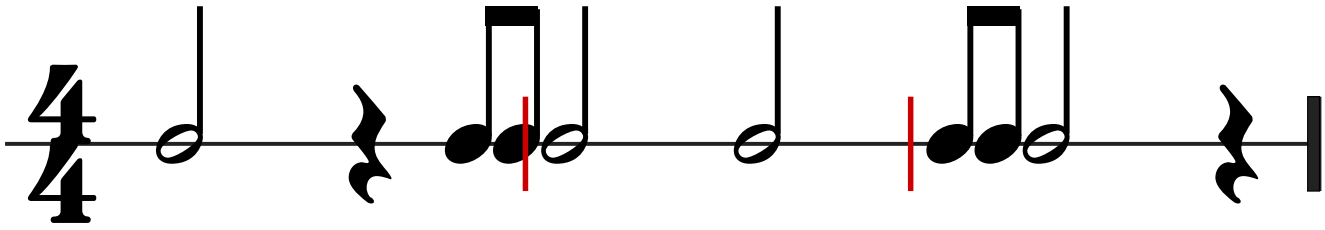

1

2

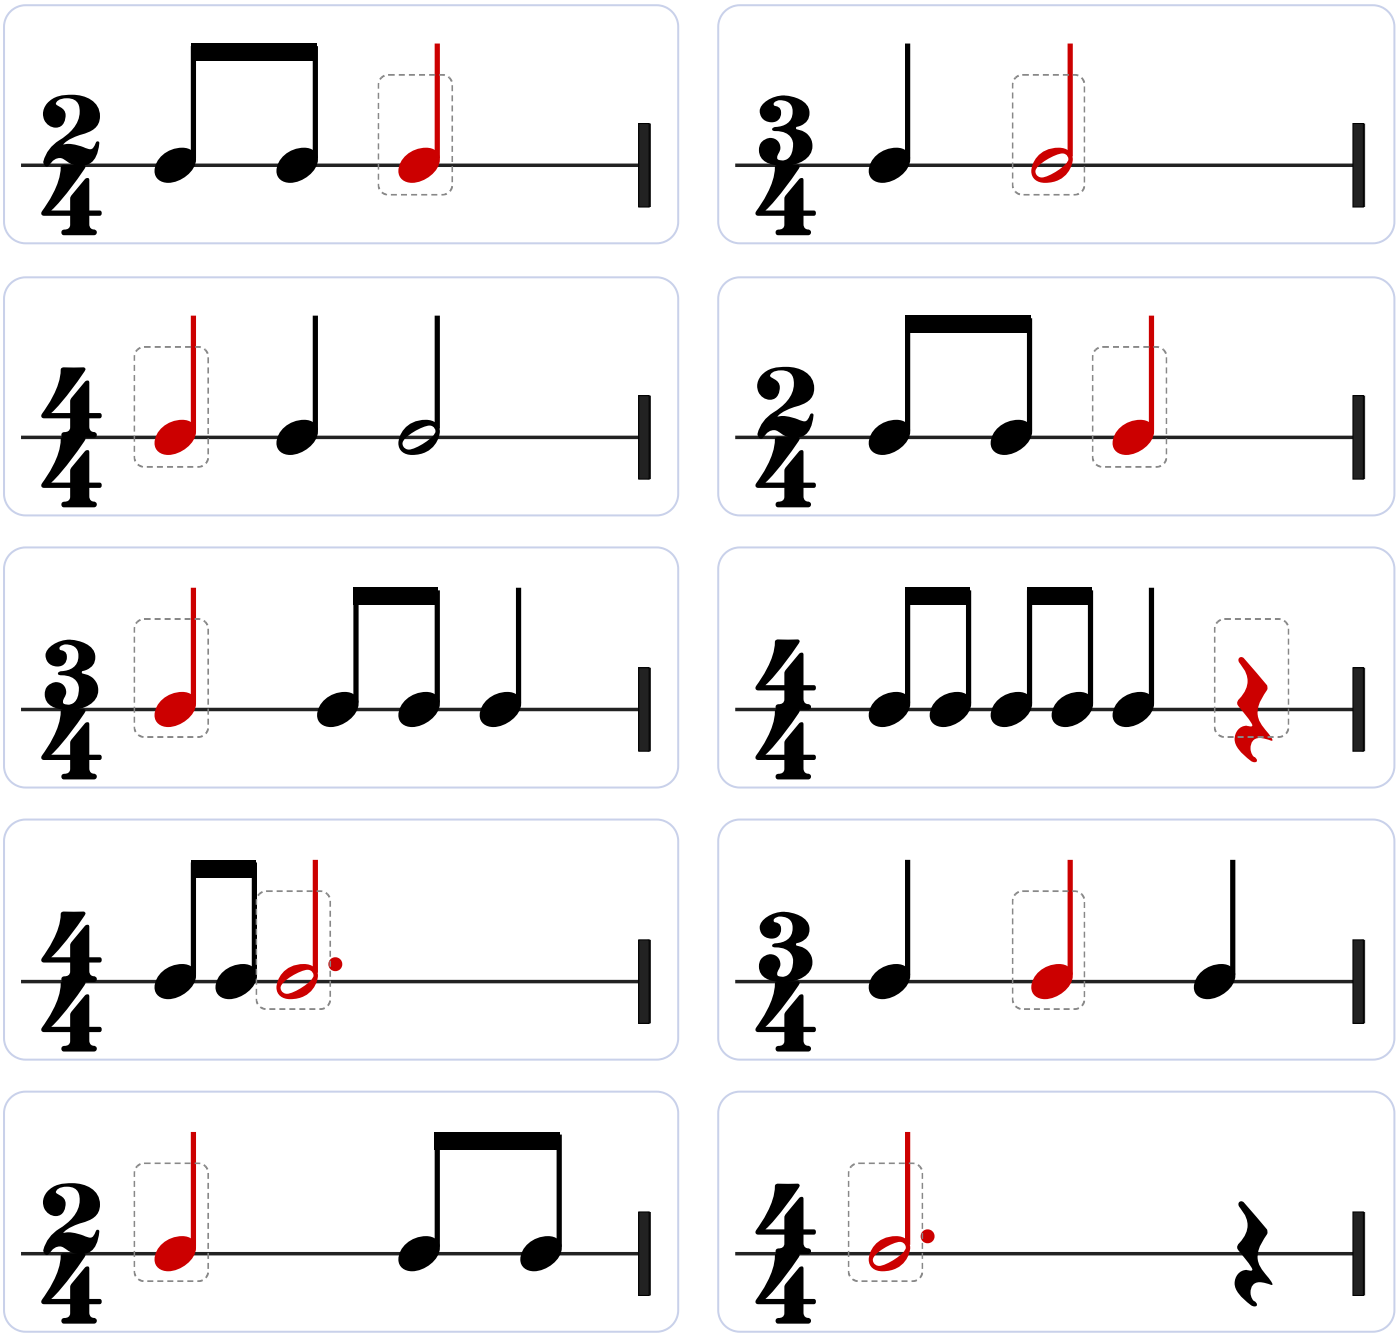

3

Soluzioni · Completa la battuta

In ogni battuta manca una figura. Disegnala nella casella tratteggiata.

Soluzioni · Quanti battiti vale?

Scrivi quanti battiti vale ogni figura e ogni pausa.

semibreve **4**

minima **2**

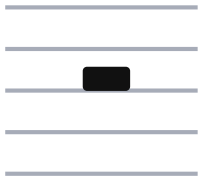

semiminima **1**

due crome **1**

pausa di semibreve **4**

pausa di minima **2**

pausa di semiminima **1**

minima col punto **3**

La **pausa** vale quanto la sua figura: si conta, ma non si suona.

Soluzioni · Somme ritmiche

Quanti battiti fanno in tutto? Scrivi il risultato.

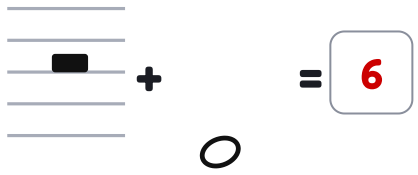

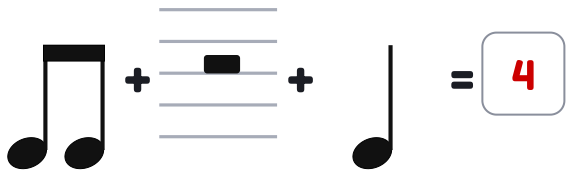

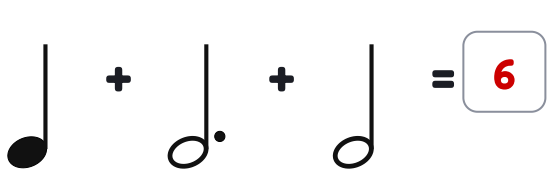

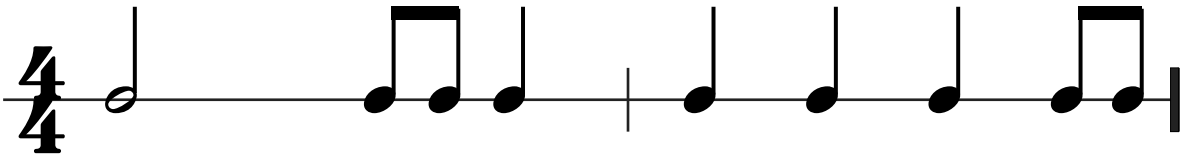

Soluzioni · Quale battuta ho suonato?

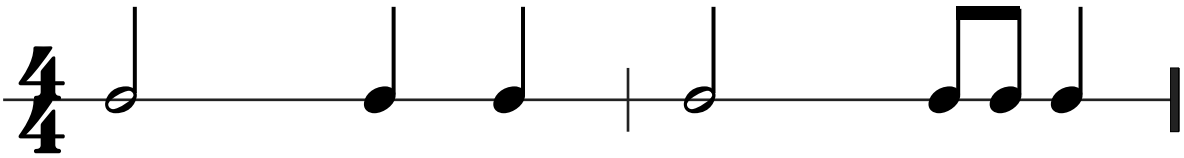

Ascolta e fai una crocetta sulla battuta giusta: A, B o C.

Ascolto 1

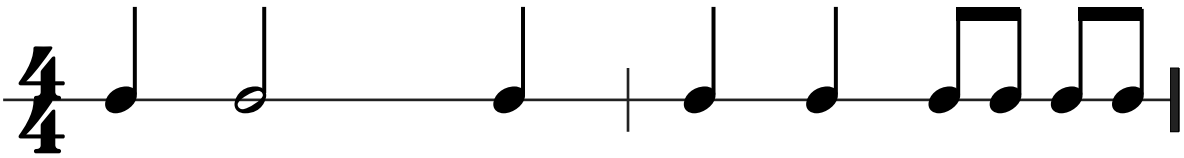

A

B

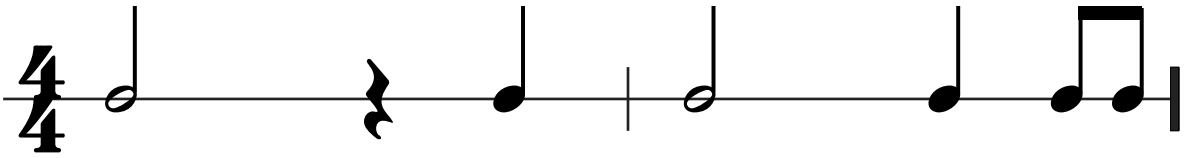

C

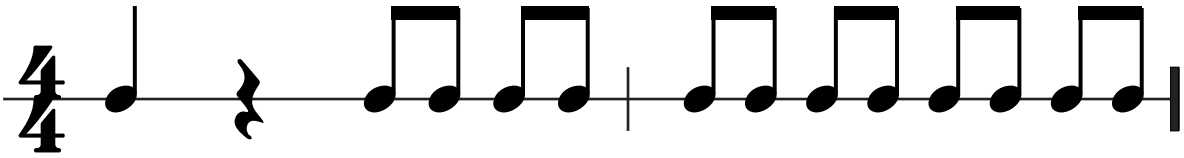

Ascolto 2

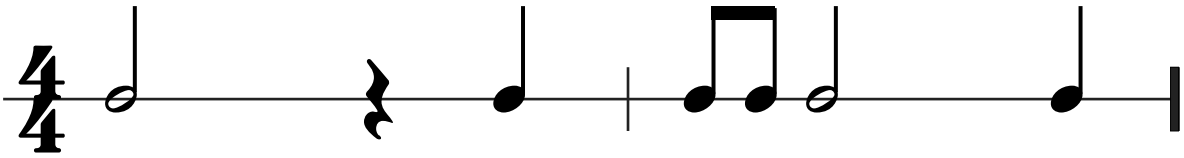

A

B

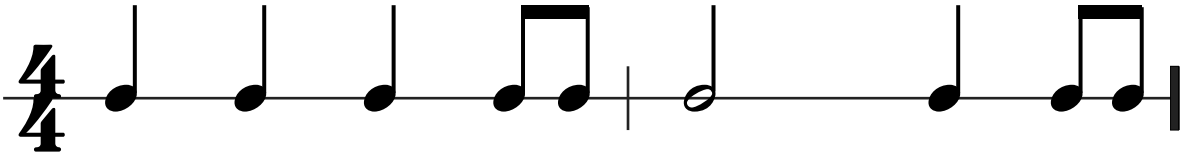

C

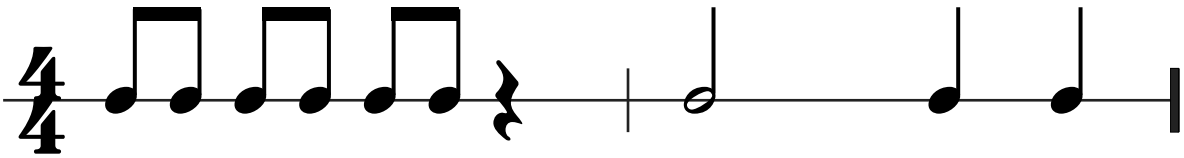

Ascolto 3

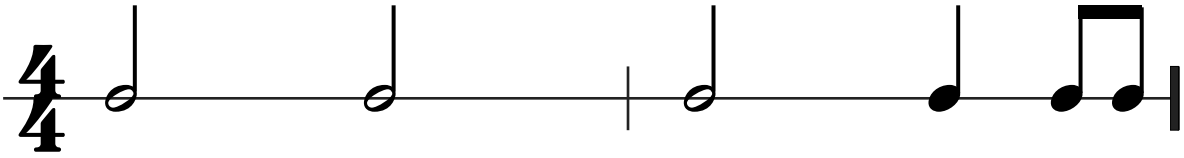

A

B

C

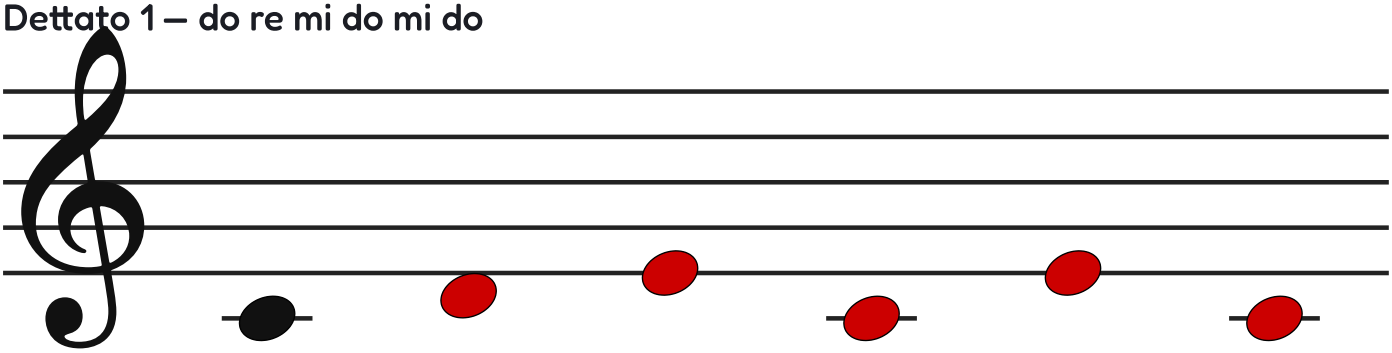

Da suonare: 1) A · 2) A · 3) A

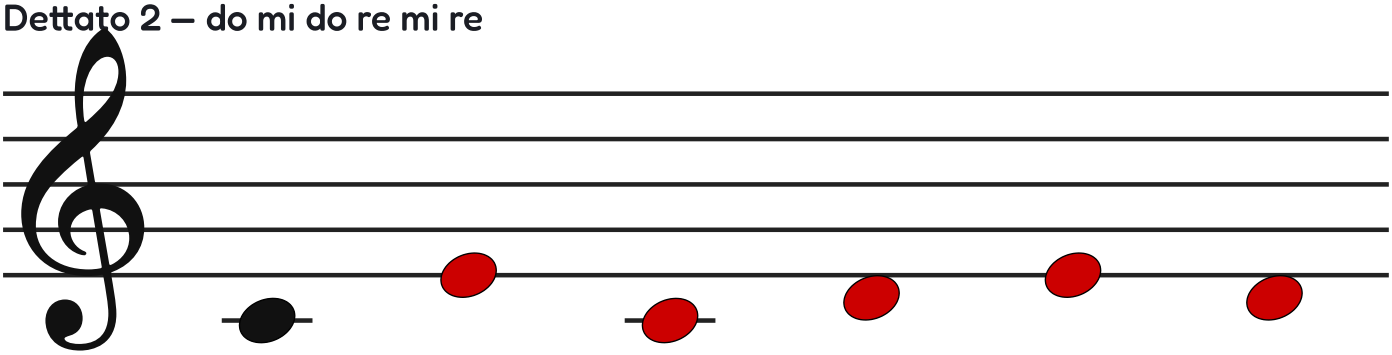

Soluzioni · Dettato con tre note

L'insegnante suona una melodia con **do**, **re** e **mi**. Scrivi le note sui puntini.

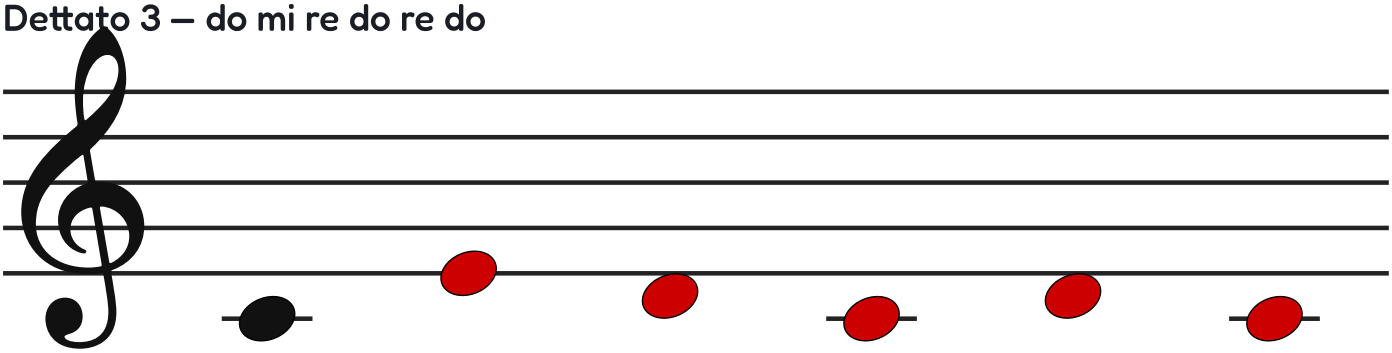

Dettato 1 — do re mi do mi do

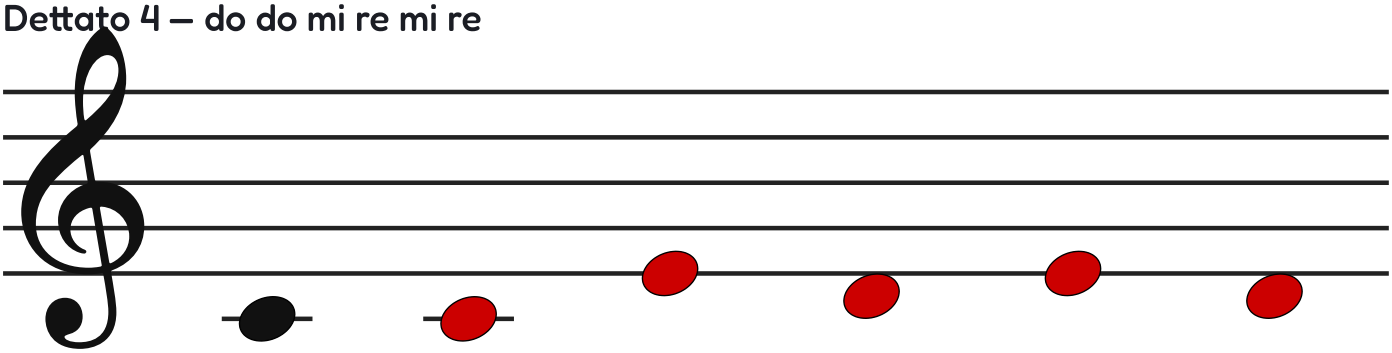

Dettato 2 — do mi do re mi re

Dettato 3 — do mi re do re do

Dettato 4 — do do mi re mi re

La prima nota è sempre il **do**. Ascolta se la melodia sale, scende o resta uguale.

Soluzioni · Le famiglie dell'orchestra

A quale famiglia appartiene? Fai una crocetta: **A** archi, **L** legni, **O** ottoni, **P** percussioni.

A · archi: corde suonate con l'arco
L · legni: si soffia (flauto, clarinetto…)
O · ottoni: si soffia nel bocchino di metallo
P · percussioni: si percuotono

violino

A	L	O	P
●			

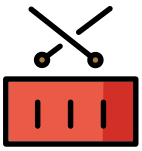

tromba

A	L	O	P
		●	

flauto

A	L	O	P
	●		

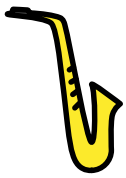

tamburo

A	L	O	P
			●

trombone

A	L	O	P
		●	

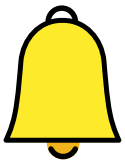

sassofono

A	L	O	P
	●		

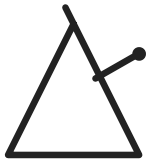

metallofono

A	L	O	P
			●

campane

A	L	O	P
			●

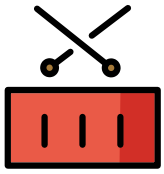

triangolo

A	L	O	P
			●

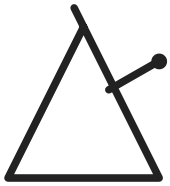

Il sassofono è di metallo ma è un **legno**: suona con un'ancia di canna, come il clarinetto!

Soluzioni · Di che cosa è fatto?

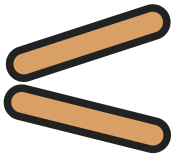

Lo strumento suona grazie al legno, al metallo o a una pelle tesa? Fai una crocetta.

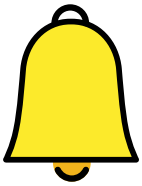

legno | metallo | **pelle**

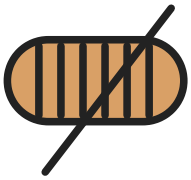

legno | **metallo** | pelle

legno | metallo | pelle

legno | **metallo** | pelle

legno | metallo | pelle

legno | **metallo** | pelle

legno | metallo | **pelle**

legno | metallo | pelle

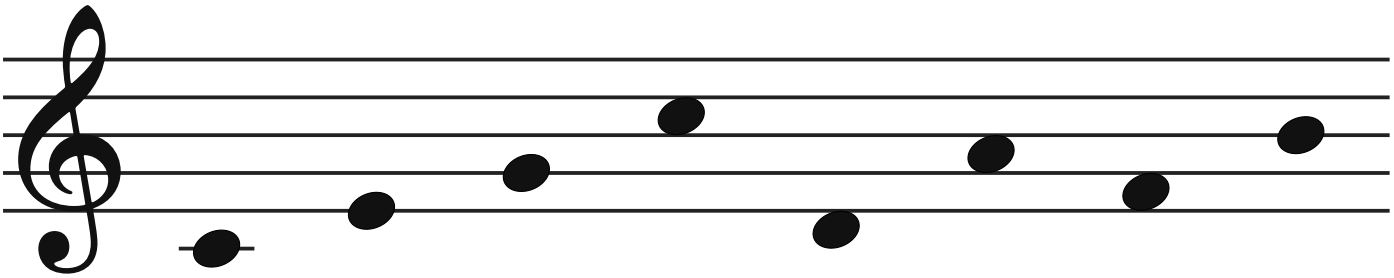

legno | **metallo** | pelle

Soluzioni · Che cosa ho imparato

Fai tutti gli esercizi con calma. Alla fine colora la stella!

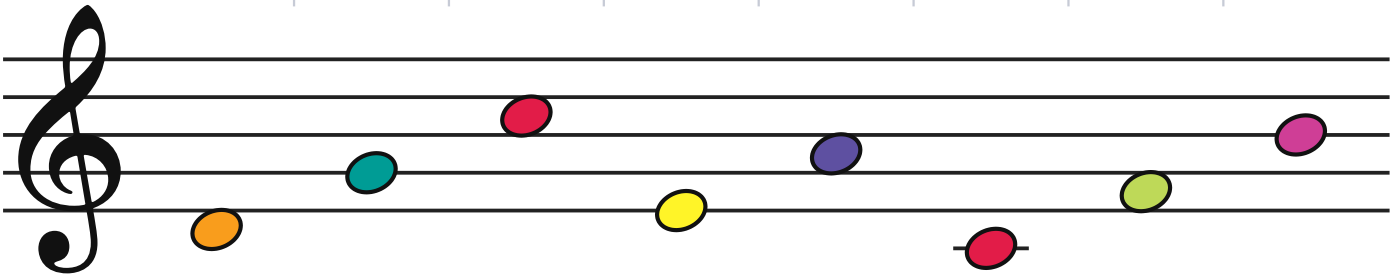

1. Scrivi il nome delle note.

do mi sol do re la fa si

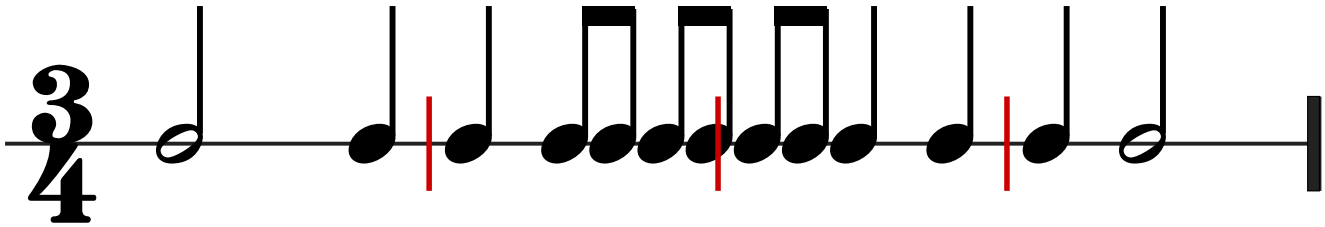

2. Disegna le note.

re | sol | do | mi | la | do | fa | si

3. Disegna le stanghette (tempo 3/4).

1

4. Quanti battiti?
